In 1938, a group of extraordinarily foresighted ladies met and created one of the most enduring and generous of giving clubs – *THE PALM SPRINGS WOMAN'S CLUB*.

Throughout all those years the Palm Springs Woman's Club has continuously given back to the Community it loves and has enriched the lives of many young girls and boys with generous scholarships.

The women of 1938 would be proud to know their original idea flourishes today and that our membership is increasing as we move toward our next mid-decade of continuing to meet our objectives.

That we have been able to maintain our ideals and retain our Clubhouse is testimony to the strength and character of the women who constitute the membership of the Palm Springs Woman's Club.
